DECLARATION OF JASON KESSLER

Mr. Jason Kessler, having been duly cautioned, declares and states as follows:

1. This declaration is based on personal knowledge.
2. I engaged in imaging of my electronic devices with a third party ESI vendor in separate litigation recently.
3. The cost was nearly \$5,000 per device an amount I could only afford due to half of that being paid by the other party (the City of Charlottesville) in that litigation.
4. I am currently only employed part time and have no regular salary or other source of funds.
5. I cannot afford to pay for any more third party ESI vendor examinations of my electronic devices.

I declare under penalty of perjury that the foregoing is true and correct. Executed on October 16, 2018.
